

Hrishikesh Barhate

AWS Certified Solutions Architect, MLE# – Member of Leaders Excellence at Harvard Square, eLearning Evangelist

Summary

Hrishikesh Barhate is the Chief Evangelist for Procommun. His other professional prowess includes key role at SEED Infotech as eLearning Evangelist.

Being an avid learner at heart, Hrishikesh has completed 100+ E-Learning certifications from elite institutions over the globe. He has always been keen on exploring different avenues in solving problems using latest technology available. Putting all his learning to use, Hrishikesh has developed a social networking community, Procommun. He is a primary architect and executioner and the site acts as a learning platform that deals with a spectrum of topics.

Currently Hrishikesh is gaining mastery over cloud computing, especially on the Amazon Web Services platform. He's also an AWS certified Solutions Architect & Developer. Hrishikesh has been a Startup Leadership Program 2015-16 Fellow for Pune region. BNI Solitaire member in the category of Web Development.

Having taken a no. of E-Learning courses throughout various MOOC sites in computer workstation assembly and networking, Hrishikesh has built a couple of workstations for himself for gaming as well as professional purposes. He's passionate about starting a dedicated business for making premium quality custom Workstations.

Hrishikesh, being an ardent Video Gaming lover has been ranked amongst the top 5% XBOX gamers across the globe with respect to his points. Also, true fan of the two popular gaming series - HALO & Assassin's Creed. Hrishikesh has now started taking interest in the MOBA category of gaming.

Being a fitness enthusiast, Hrishikesh has played national level lawn tennis circuit. He has a keen interest in Yoga and Meditation. Hrishikesh has an artistic side to him, which is quite evident from his designs. He has been pursuing painting since childhood and a great collection of paintings. He has been an earnest student of Hindustani Classical Music and plays the popular percussion instrument - Tabla. He would be applying for the Visharad exam shortly.

Recommendations

[Paras Pagare](#): "I've worked with Hrishikesh during my tenure at Palash and have found him to be an extremely focussed and motivated individual. He has a great command over AWS, web technologies and digital marketing. Give him a problem statement and he'll come back with a technically sound and elegant solution within no time. He will certainly go miles with his attitude and pursuit for excellence. Given an opportunity I would love to work with him again."

[Alaukik Kotecha](#): "It is wonderful that you are maintaining our website. You implement and consult all the best possible points that we should have for our website. We are glad that you are contributing so much and your contribution is directly affecting positively. Our website views and SignUps have increased because of your contribution and suggestions."

[Uday Musale](#): Hrishikesh is a fanatically passionate young entrepreneur. His work exhibits his innovative approach in its execution that results in a unique blend of intuitive user experience and exactly addressing the target audience's needs.

[Ashwini Teranikar](#): It has been a very satisfactory experience working with Hrishikesh for the assignment of our website. The aspects that have been particularly impressive have been:

- On Time delivery of the entire revamping of the website as committed
- Almost Nil supervision
- Sharp grasp of the business and the target audience to create appealing design and layout
- Excellent guidance based on domain expertise
- Very professional in approach and execution

[Pournima Barhate](#): Hrishikesh is by far one of the very few designers who could provide me with what I was looking for. The soothing and thoughtful images and fonts that go absolutely well with them, is something that thoroughly appealed to me. It has a calming effect and certainly makes one feel very peaceful. Especially this one at 'Contact me', makes me want to send myself a message in a bottle. The hassle-free blog posts entries that I can make, sitting in any corner of the world with Internet at hand. What more do I ask for? He's as professional as one can get!

[Jaspal Singh Saran](#): Hrishikesh is a very bright young entrepreneur, absolutely stunning technologist and a keen learner. He is very focused on whatever he picks to learn and implement and is definitely a rare breed. His ideas and vision are worth listening to and exploring in-depth. To me, he is among one of the finest next-generation technologists of India. I wish him all the best for all his endeavors and ventures.
